**BIG  
CHANGE**

6th FEB - 20th MARCH 2008

When she was 14, Jenneth was abducted by violent rebels during the conflict in northern Uganda. Five years later, she managed to escape. Now 21, through a SCIAF-funded project, she is learning tailoring skills and her children attend a day care centre. One day, she hopes to have her own business.

## **Prayer**

**Lord, give us the compassion to help our brothers and sisters when their burdens become too heavy to carry alone. Help us to work without ceasing for that justice which brings true and lasting peace.**
